HELLBOUND

First Time Cruiser? A little Nervous?

Is this a real cruise? I've never heard of your company before.

Hell yes!! Hellbound is a fully chartered, professionally managed cruise operated by Choose Your Cruise in partnership with Destroy All Lines. We work directly with Carnival and all artist programming, ship accommodations, and logistics are handled with the same standards you'd expect from any major festival or cruise provider.

How do I know this isn't a scam?

We totally get the concern; Hellbound almost seems too good to be true! But we can assure you, **it is real**. Choose Your Cruise have hosted over 40 sold out music festivals at sea, welcoming over 100,000 guests since our inception in 2009 – also earning ourselves the prestigious title of Charter Partner of the Decade by Royal Caribbean in 2012.

You can look up past events we've hosted [here](#), and for extra piece of mind, we are also a certified member of the Cruise Lines International Association (CLIA) which unites the global cruise community, including prestigious ocean, river, and specialty lines, maritime leaders, ports, destinations, shipyards, and the largest network of cruise travel professionals.

How do I know my booking is secure?

Our booking system uses industry-standard encryption and secure card processing via STRIPE. You'll receive an immediate email confirmation once you complete your booking, with final documentation regarding your cruise ticket closer to sailing (approximately 6-8 weeks prior to departure). If you ever have questions, our support team is just a call or email away.

What happens after I book?

After booking, you'll receive a confirmation email with your reservation details, cabin assignment and instructions for completing your booking if paying in instalments. Closer to the cruise date, you'll get information about boarding, schedules, and themed events (the fun stuff!)

Is my payment protected?

Yes. All payments are processed securely, and we offer flexible payment plans. We do not store any sensitive information such as credit card details. You can also opt to purchase travel insurance for additional peace of mind and protect your fare in the event you are unable to travel.

Can I pay over time instead of all at once?

Absolutely! We offer payment plans with monthly or quarterly (25%) payment options. You'll see all the payment terms clearly before checkout.

I've never been on a cruise—how does this work?

Think of it as a floating music festival with hotel accommodations, food, and travel built in! No need to worry about camping accommodations or Ubers to and from the venue each night. Once you're onboard, everything is handled—meals, activities and entertainment. We'll guide you step-by-step before the cruise with packing lists, tips, and what to know before you go guides.

HELLBOUND

What support do you offer if I have questions after booking?

We have a dedicated support team that can assist you by email or phone with anything from booking questions to accessibility needs. No question is too small!

Can I get seasick? How do I prevent it?

While it's possible to experience motion sickness, rest assured that Hellbound will be sailing off the coast of Australia and will not be entering open international waters, which are typically rougher. The waters along the Australian coast are generally calmer, and most guests find the movement of the ship very minimal.

That said, the ship is still a moving vessel, so you may feel a bit of motion from time to time. If you're prone to motion sickness or just want to be extra prepared, it's a good idea to bring along motion sickness remedies such as ginger tablets, wristbands, or prescription patches. Choosing a cabin mid-ship and on a lower deck can also help reduce any sensation of movement.

Will I be sharing a cabin with strangers?

Keeping our guests wellbeing, safety and enjoyment is important to us – so we will never pair you with someone you don't know! If you book a cabin on your own, that room will solely be yours, with no unexpected guests joining you.

Are you affiliated with any of the artists or the cruise line directly?

We work in direct partnership with our friends at Destroy All Lines regarding the artists, and Carnival Cruise Line to ensure the experience is safe, professional, and one-of-a-kind.

Answers to additional questions may be found within [Carnival Cruise Lines FAQ](#)
